OVERALL COMMENT: Abby was an absolute joy to work with and invite into our classroom. She had creative ideas, challenged the students, and helped them problem solve. She is a natural in the educational setting. A positive trait that I noticed in Abby is that she is like a sponge and takes in what she sees and hears and makes it her own. She seems to understand that in education we are constantly learning; improving, and reflecting. She has a very bright future ahead of her!
